

Victorian Geriatric Medicine Training Program

Centralised Match for continuing trainees

Health Service update 12th July 2022

Dear Site Coordinators

Re: First Round Match

Trainees

The deadline (closing date) for trainees to submit their Health Service preference list is **Thursday 14th July at 5PM**. This is also the deadline for applicants to delete health services from their preference list, or to withdraw from the match.

After this date, the results of the match will be binding on both applicants and health services

Part-time and Job-share applicants

Applicants who have been successful in securing a part-time or job-share position must withdraw from the match. Failure to withdraw may result in the trainee being bound to accept a position in the match.

Applicants who have not secured a position before the deadline may participate in the match, on the understanding that it is for full-time positions.

Health services

Health Services must submit online list of preferred trainees in rank order between 15th July and 5PM on 21st July.

The match

PMCV will run the computer match between 22nd and 26th July.

Match results will be available at 10AM on Thursday 28th July on the PMCV website (login required).

You can expect to be advised of the results for your Health Service prior to publication.

The second round of the centralised match for new trainees opens on 2nd August.

Good luck

Benny
