

## Centralised Match for Advanced Training in Geriatric Medicine in 2024

The Centralised Match for entry into Advanced Training in Geriatric Medicine in Victoria will open on 18<sup>th</sup> July 2023. Applications will be accepted from:

- Trainees who are eligible to commence Advanced Training in Geriatric Medicine
- Advanced Trainees from other RACP specialities
- Current trainees who were not matched in the first round of the Centralised Match

The Postgraduate Medical Foundation of Victoria (PMCV) will run the Centralised Match on behalf of VGMTP and RACP. It is a match for multiple RACP specialities.

All full-time positions in Geriatric Medicine in Victoria are appointed through the Centralised Match. Applicants seeking part-time and job-share positions should contact the Health Service in the first instance. These positions will be appointed outside the match. Any trainee who is unable to secure a part-time position prior to the deadline may enter the second-round match in the understanding that it is for a full-time position.

Ensure that you have carefully read and understood the rules of the match. The outcome of the match is binding on both applicants and health services. There is no guarantee that every applicant will secure an Advanced Training position.

To participate in the match you must:

- Submit an application for employment with each Health Service of interest
- Register with **Postgraduate Medical Foundation of Victoria (PMCV)**. Upload your details, CV, referees and preference list at <https://www.pmcv.com.au/2023-racp-at-sm-matches/>.
- You cannot be matched unless you have applied to both PMCV and the Health Services
- Please note closing dates vary between Health Services, and between Health Services and PMCV
