

**Centralised Match for  
Advanced Training in Geriatric Medicine in Victoria in 2021  
Communique 10 August 2020**

The results of the Centralised Match have now been published by PMCV.

Successful applicants will be notified by the Health Service about contractual arrangements. This may take several weeks. Any enquiries should be directed to the Director of Geriatric Medicine of the Health Service.

There were more applicants than positions to fill, resulting in a number of eligible applicants missing out on appointment.

- The following positions remain unfilled:

Unfilled Advanced Training Positions		
Health service	Position	Contact
Peninsula Health	Advanced Trainee – F/T	Dr Anjali Khushu <a href="mailto:akhushu@phcn.vic.gov.au">akhushu@phcn.vic.gov.au</a>
Monash Health	Part Time / Part Year	Dr Julie Lustig <a href="mailto:Julie.Lustig@monashhealth.org">Julie.Lustig@monashhealth.org</a>

- There will not be a second round match for Geriatric Medicine this year.
- PMCV may run a second round match if the number of vacancies across all RACP specialty training programs warrants it.
- VGMT is unable to answer any questions about how an individual was ranked by the Health Services.

You will receive an invitation to provide feedback about the Centralised Match in the coming week. Your feedback is important in determining our approach to next year's match.

Wishing you all the best

Assoc Prof Benny Katz
