

VACANCIES: TRAINING POSITIONS for 2023

VGMTP has been advised of vacancies for Advanced Training in Geriatric Medicine in 2023 in the following health services. These positions are accredited by RACP for Advanced Training in Geriatric Medicine. Appointees will have full access to the comprehensive resources of the Victorian Geriatric Medicine Training Program. Position Descriptions and contact details are available at [2022 Geriatric Medicine Health Service Directory Round2 Final290722.pdf](#)

We recommend that you make early contact.
