

Centralised Match for Advanced Training in Geriatric Medicine in 2023

Results of the Centralised Match

In memory of Her Majesty Queen Elizabeth II a National Public Holiday has been declared on 22nd September 2022.

This is the same day that the results of the Centralised Match for Advanced Training were due to be published.

I have been advised by the Postgraduate Medical Foundation of Victoria of their intention to bring forward the release of the match results to the afternoon of Wednesday 21st September 2022. This is contingent on PMCV being able to complete all processes to ensure the integrity of the match. More details will be forwarded by PMCV.

A list of Advanced Training positions in Geriatric Medicine that remain unfilled will be published on the VGMTP website once the results of the match are available.
